

Elmwood Infant School & Nursery

Dropping Off, Picking Up and Parking

Help us to keep our children safe by following these guidelines:

- Parking outside the school gates (on the zig zags) makes it **very** dangerous for everyone.
- Mounting the kerb is also incredibly dangerous and puts pedestrians at risk, especially young children.
- Please avoid parking across the driveways of our neighbours.
- Parking opposite the school next to the central island makes it very difficult for vehicles to get past. It stops parents and children crossing safely as it blocks the dropped kerb.
- Never pull up in traffic/outside the gates and let your child jump out of the car whilst you are still at the wheel. This is against the law and puts your child at risk of being run over.
- Be mindful of pedestrians as you open car doors.
- To avoid collision, please dismount from bicycles before entering the school premises and ask children to get off their scooters at the school entrance.
- Inconsiderate parking prevents the emergency services from getting past.
- Parking across the entrance to the school car-park prevents access for staff and emergency services.
- We'd rather you be a few minutes late at the start or end of the day than park dangerously.

We work hard as a community to ensure everyone feels safe at this school and appreciate your support in achieving this.
